Shapes

of things to come

The 1986-87 school year was refreshing and full of rewards. The seniors were an exceptional group in academics and athletics, and ended up with a record amount of scholarships earned. The juniors although small in numbers got things done with good ideas, organization and commitment. A good example of the junior class teamwork was the tremendous prom held at the Reed Opera House. The sophmores were strong in school activity participation. They were a talented group with alot of leadership potential. The freshmen class made big strides academically and had top quality athletes that played varsity sports. The teaching staff set high standards in academics and attempted to work with every student in reaching personal goals in the classroom, on the court, in the field, and in their clubs and organizations. We are fortunate to have the dedicated teaching staff, aides and secretaries to serve our district and our students. We wish our seniors the best of luck in their pursuit of education, and careers. If their high school days are an indication of things to come, the future looks bright. Those of us who stay behind will watch with pride as you climb the ladder of success and take your place in society as adults.

CLUBS AND ORGANIZATIONS

*S*TUDENT GOVERNMENT

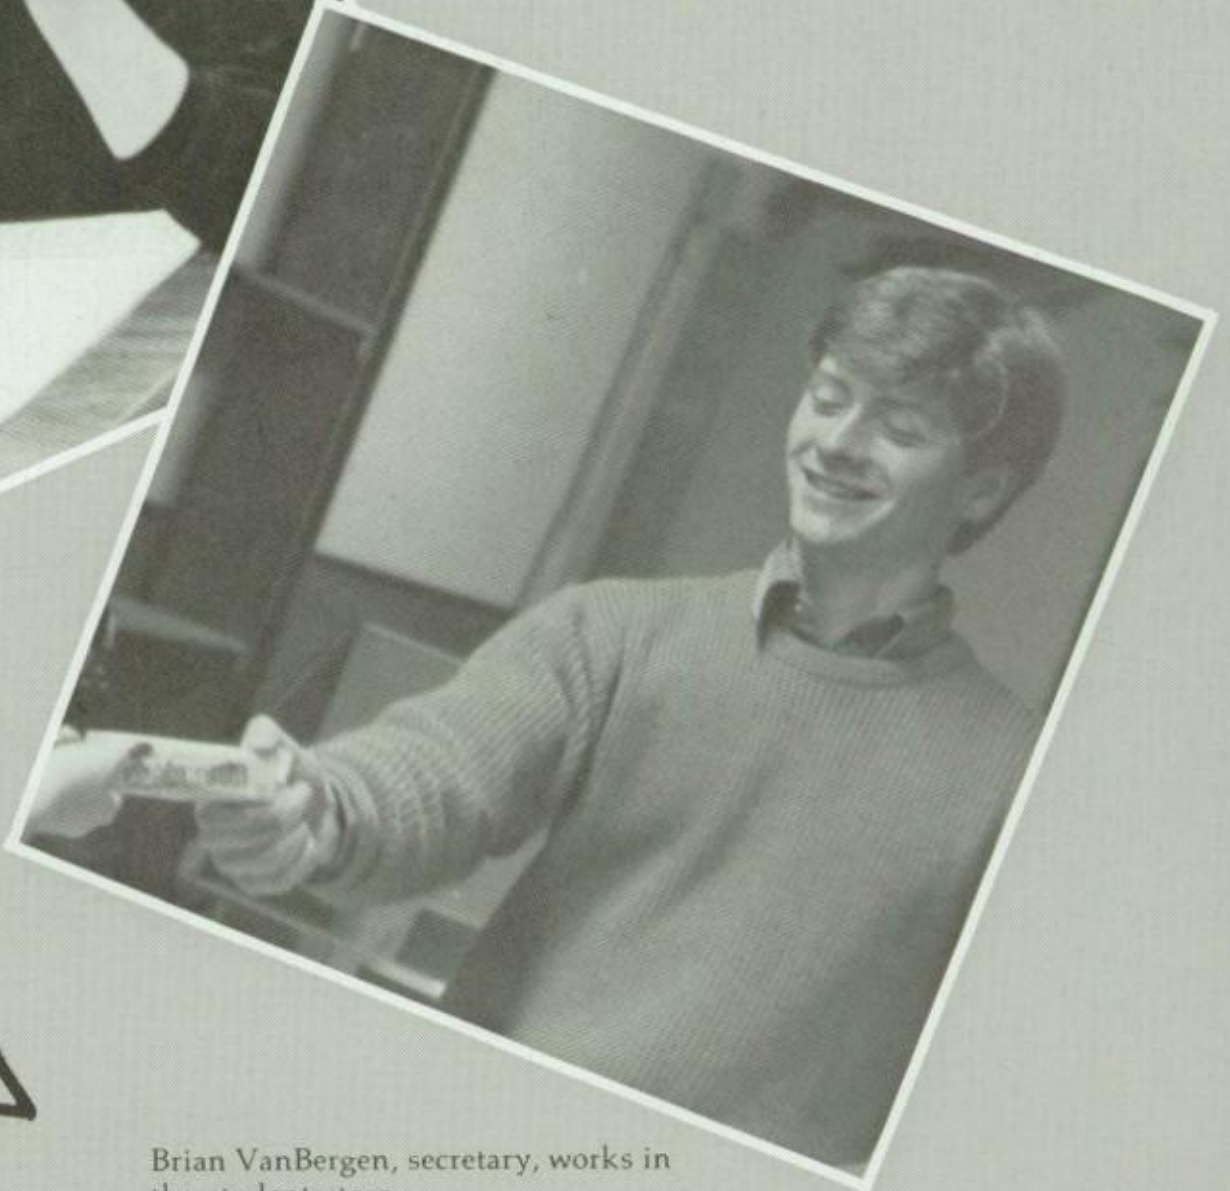

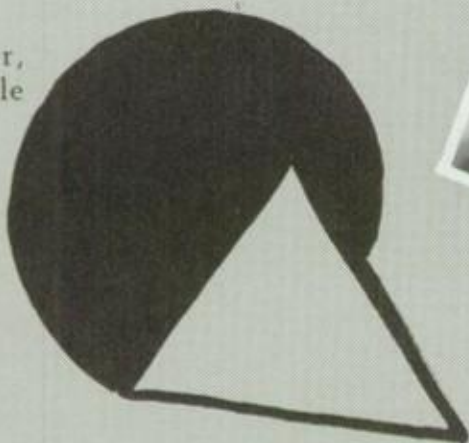

The Student Government organization was advised by Mr. Freshour. The club planned most of the school's activities, such as . . . special assemblies, Homecoming, May Day, and Prom. Mike Knutz, the president, called the first meeting over the summer, and he continued to meet with the other club members throughout the school year. Their goals were, to erect a flagpole at the football field, in memory of Mike Berkey establish a letterman's club and a National Honors Society. The student government did a good job of building the pride and spirit of Amity High. - Sonja

FHA

1986-1987 Future Homemakers of America goals were to build leadership and interest in home economic careers. FHA showed their family orientation by helping sponsor the Christmas food drive. In 1986-87, the club attended the district and state meetings under the advisorship of Mrs. Sally Wyffels.

FHA members, Susan Hawkins-President, Sheila Mirelez, Brenda Nyseth-vice president, Jeanine Johnsgard, Tracy Ingram, Selina Humeland-secretary-treasurer, Elizabeth Jack.

Φ FBLA Λ

1986-87 Future Business Leaders of America achieved their goal to develop competent, aggressive business leaders. FBLA sponsored the Christmas food drive and have managed the school store for 3 years. Other activities included: going to Portland to visit "2 at 4", on channel 2; and going to the Flying "M" Ranch. The FBLA club is small, but still manages to achieve their goal, building leadership.

FBLA members, Edith Duck-representative, Selina Humeland, Denise Johnston, Carolyn Sharer, Gary Nelson, Linda Johnsgard, Missy Henning, Susan Hawkins-secretary, John Washburn-vice president, Marcy Leppin-treasurer, Bruce Douglas, Terri Romey, Mrs. Riddell-advisor, Denyce Brutke, Brian VanBergen-president, Loren Butler.

DRAMA

This year was a very good one for the drama club. The club was made into a class sixth period. They put on a play earlier in the year called "Boarding House Reach." On May Day they also performed three shorter plays. They were the "Odd Couple", "Blithe Spirit", and "People in the Wind." All of these plays were well received by their audiences.

The drama class had many young members. Next year and in the years to come, Amity High should have many more excellent performances.

The class consisted of seven seniors: Tricia Bottenberg, Debbie Chappell, Michelle Clark, Jeff Keightley, Mat Philliber, and John Washburn. Three juniors: Carrie Bauer, Scott Worthington and Gloria Tapia Rivas. Nine Sophomores: Kelley Berkey, Mike Doctor, Tricia Gibbon, Susan Hawkins, Tracy Lambert, Terri Maunula, Kimi Romey, Scott Kovalik, and Patricia Meier. And last but not least five freshmen: Billie Jo Bailey, Ryan Meeker, Carolyn Sharer, Heather Stepp and Jason Hammill.

"Dancing with the team is an experience that will live with you forever." comments several varsity dance members. The thrill of the crowd, the excitement of competition, and the sweetness of victory, these are some of the reasons the girls gave when asked why they loved dance so much.

The Warriorettes won two second place trophies and a third. The girls sparkled with enthusiasm and glowed with school pride as they performed to "Shout" at the OSAA State Competition and placed second. The girls did an excellent job. We thank them for their support and wish them the best of luck in the future.

FORIEGN EXCHANGE STUDENTS

HANDS ACROSS THE WORLD

Ingvild, Helene and Gloria all have something in common. They are all from different countries. We were glad that they were able to come to our school. We have learned a lot of new things from them. The Amity student body and teachers hope that their stay was as rewarding for them as it was for us.

1986-87's exchange students were Ingvild, Helene, and Gloria.

Ingvild stayed with the Gusa's here in Amity as a foriegn exchange student from Norway.

Gloria (J.J.) Tapia Rivas was our foreign exchange student from Mexico.

Helene Andersson visited us from Sweden.

AND INTERNATIONAL CLUB

The basis of the International Club is "The bringing together of people from different cultures," stated Kari Bauer, president of the club. Activities planned involved the exchange students so that they could learn of the American way of life. Activities included a dance at the start of the year, using the theme "Fall Back to the '50's," and in December the group went caroling. At the end of the year a progressive dinner was planned. Cuisine from different countries was consumed. Kim Dornon puts in a word or two by saying, "In addition to our exchange students learning about us, we learn from them of their culture."

SIGMA CLUB

The 1986-87 Sigma Club consists of from L to R; Mike Knutz, Todd Peters, Mark Knutz, James Rosenbalm, Sam Johnson, Jeff Wilson, Brian McCabe, and Pete Dehaan. Not pictured are Matt Bauer, Jeremy Hopper and Mike Castilleja. With Mr. Mahi as advisor a few of the club members represented Amity High School and the Sigma Club at bench press competitions around the state. Small in numbers but big in power the lifters faired well against the larger teams. Several girls have taken interest in Mr. Mahi's weight training classes. They demonstrated some great potential with a couple reaching the newly established female Sigma Club.

JOURNALISM

The 1986-87 Journalism class published top-rate papers. Throughout the school year students transferred in and out of the class. The staff consisted of: Lil Mickler, Denise Johnston, John Washburn, Gloria Tapia Rivas, Sandi Smith, Susan Hawkins, Sonja Brenden, Shelley Darling, Tami Mills, Todd Peters, Andy Meuer, Heather Fairbanks, Liz Fuller, Dan Moore, Craig Wilson, Selina Humeland, Tracy Ingram, Terri Manuala, Sheila Mirelez, Jason Hamill, and co-editors Matt Philliber, and Michelle Clark. These students were under the guidance and supervision of Miss Daniels. We would like to thank the Journalism class for interesting reading throughout the year!

BAND

CHORUS

The 1986-87 chorus made rapid improvements throughout the year. They preformed three concerts, May Day, and a spring tour with the Dance Team. The theme this year was "The Return of the '50's". Mrs. Wells and a friend helped prepare authentic 50's poodle skirts for the girls in choir. The songs the choir sang were "Splish, splash", "Who put the Bomp", "Teenager in Love", and "Chapel of Love."

The band improved tremendously and the group doubled in size. They preformed at three concerts, May Day and also at some home basketball games.

If things continue as they have, Amity High School chorus and band will become even bigger and better!

The Junior class presented this years prom with the theme of "Moments in a Dream." Marlo Keliiheleua, junior class president, was in charge of arrangements and decorations. The prom was held in the banquet room at the Reed Opera House Mall. Music was provided by two disc jockeys from "Where-House", a dance club in Portland.

The junior class put forth a lot of preparation and planning to ensure that this years prom was a success. The 1987 Junior - Senior Prom was a success. The 1987 Prom could be summmed up as a highlight to be remembered.

SENIOR FLUNK TRIP '87

Seniors again visited Seaside for their flunk trip. Activities of the day included: Body surfing in brisk ocean water (Brrr . . .), golfing (miniature and otherwise), shopping, moped bike riding, swimming at the community pool, and plenty of eating by all.

For many seniors, as they go their separate ways, this was a final time to be with friends to reflect on their years at AHS and to dream of the years ahead!

SPRING ARTS

Art, shop, and home economics projects were displayed in the library following the May Day activities. The following students work was displayed: Art: Tricia Gibbon, Jodi Douglas, Linda Johnsgard, Sandra Stacey, Jennifer Sayre, Terri Romey, Kimi Romey, Tami Mills, Pam Peden, Pel Montgomery, and Susan Hawkins. This years Freshmen have had a difficult time getting use to the high schools way of life. At first they really thought it was hard to find all the right classes. They finally got the feel of things and now they are adjusting. The Freshmen class have participated in a lot of activities, such as sports and clubs . They won some Pep Assemblies and other events. We all knew they could do it when they passed the initiation of the egg smash to the head. This years Freshmen have really made their class one to look back on and always remember. The class of '90 is really going far at Amity High. -Fuller

SPORTS

VOLLEYBALL

The varsity volleyball season was full of ups and downs. The girls were a young team and had to learn to play together as a team. The season started well but got worse as time went on. They were on a losing streak for a while but the team pulled together and made it to the playoffs. Even though Amity was defeated at the playoffs they felt that had found the secret of team work which was thought to be a great accomplishment.

J.V. NETTERS

The J.V. Volleyball program was an overall success this year. Mr. Moore stated that J.V. had a tremendous season of 11 wins and 3 losses. Mr. Moore also said that the strength of the team was due to the total team unity and that next year should be as good or better than the 86' season. The team consisted of one foreign exchange student, six freshman, four sophomores, and two juniors.

FOOTBALL

Varsity = The Pride Of The Warriors

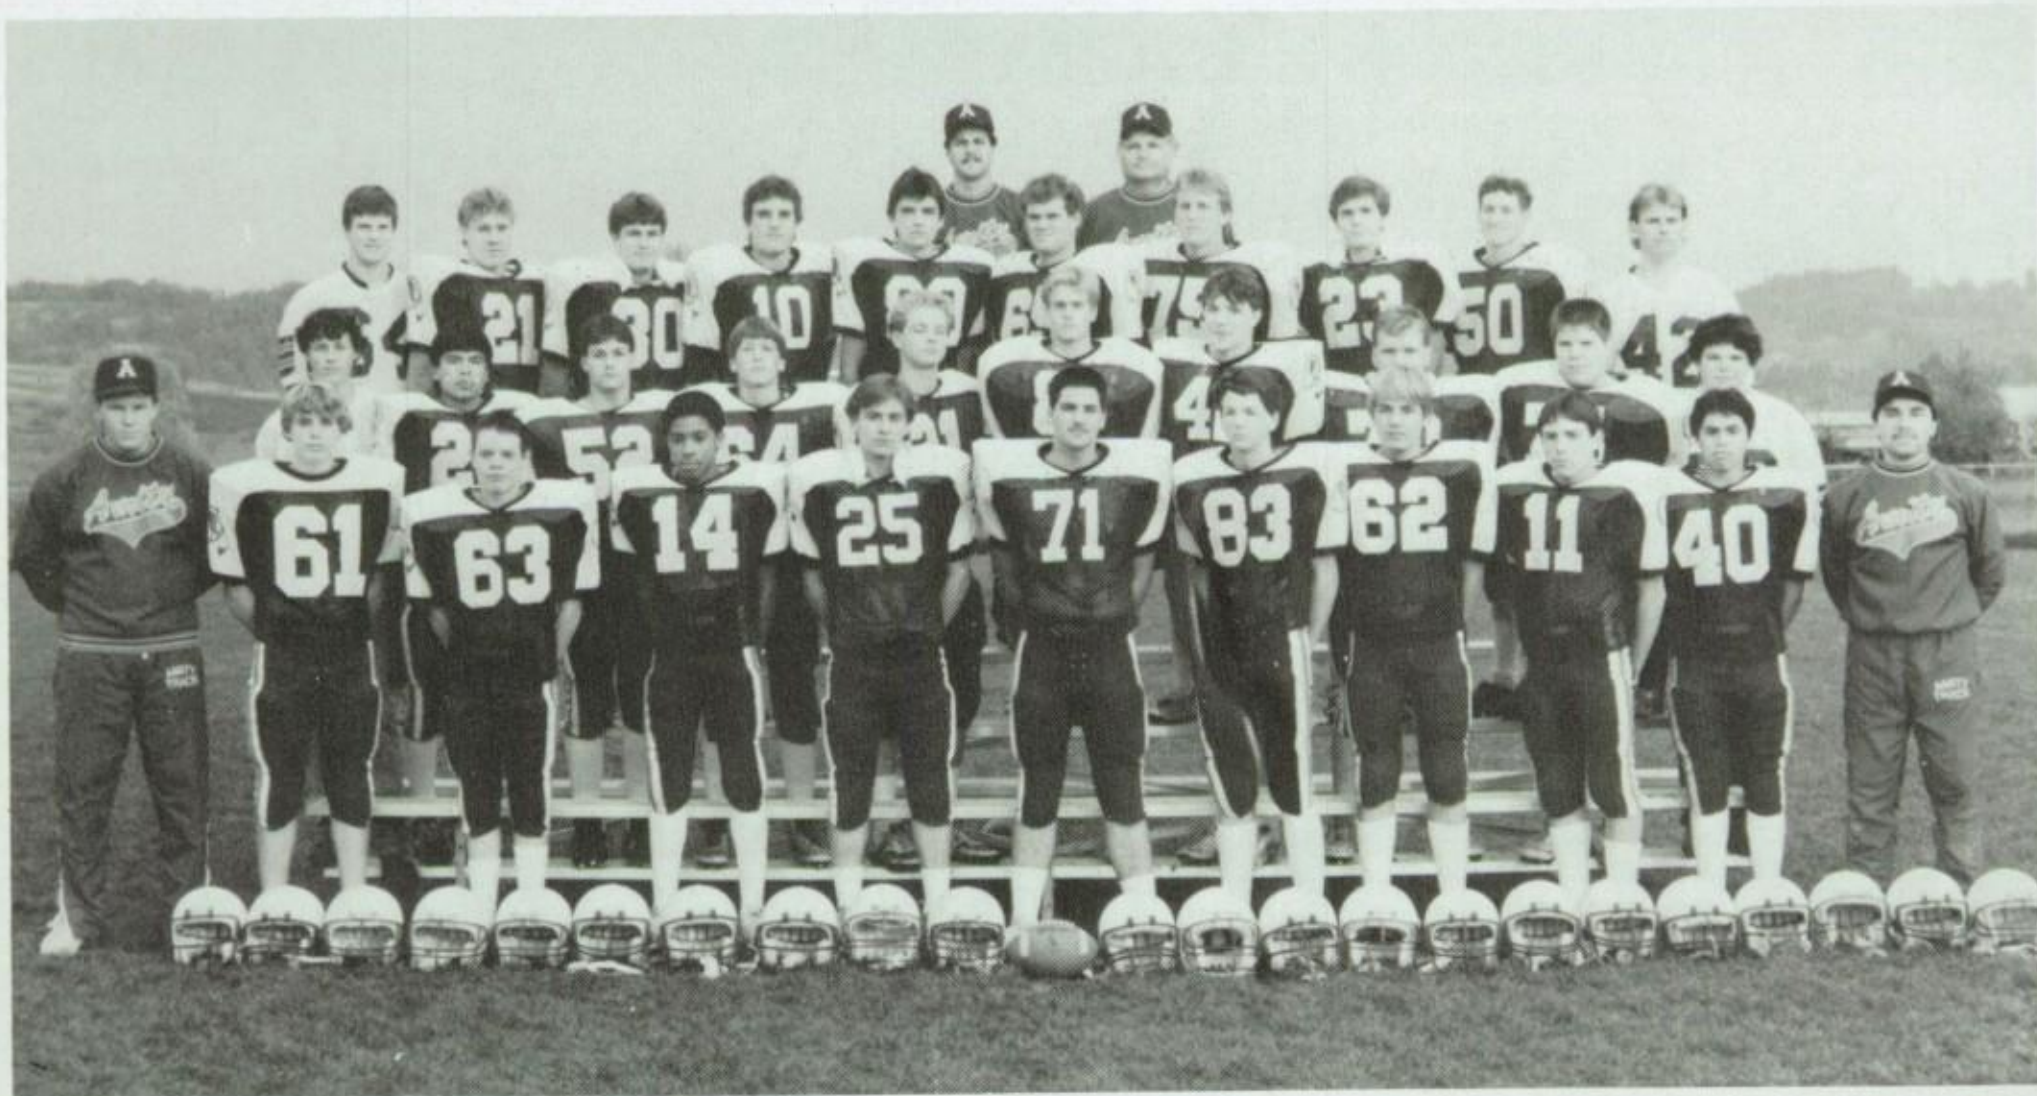

The 1986-87 Varsity Football season was a tough one. Through difficult situations and unforeseen circumstances the team strove for high performance. Coach Torres and coach Sullivan were both proud of the character and pride displayed by each and every individual throughout the season. Coach Torres summed up the season in stating, "This years football season was one of the most successful seasons in recent years. The team notched its most impressive win of the season by beating Sheridan 18-13, the first win over Sheridan in six years. This years ball club was also fortunate to have nine seniors who provided leadership and stability. Anytime you have a good nucleus of seniors, good things will happen."

Senior varsity members, Pat Dyche, Sam Johnson, Mark Knutz, James Rosenbalm, and sophomore Pete DeHaan look to coach Torres for instructions.

The 1986-87 boy's basketball team was a team that had the players and the experience to make it big. Amity went into league play with a 5-1 pre-season record. The team won their first two league games and then was ranked as high as 7th in the Class A State Coaches Poll. With Amity's 7-1 record they ran into some trouble with their league rival, Dayton. Amity's record went up to 8-2 after a close win at Willamina. The Warriors then ran into some team problems and thus went into a seven game losing streak. Amity finished off the season winning two of the last three games to finish with a 10-10 season record.

Next year's team won't have as much experience as this year's team did, but with the added attraction of the three point goal it should be another exciting season.

The 1986-87 varsity girls' basketball season was one filled with many great moments. Any team, no matter how good they may be, can't win every game.

The girls began the season slowly, dropping a game to Jefferson and two games to St. Paul. When all seemed dismal, the warriors took off and didn't land until they had ran off 18 straight victories. Another league championship and a chance to go to the state tournament in Pendleton.

The playoffs began good for our girls. They beat their first two opponents, Western Mennonite and Nestucca, 69-20 and 53-42, respectively. The team then lost a heartbreaker to Corbett 33-30. They then lost another close one 45-43 to Warrenton. With a lot of hard work and determination, the Amity girls' basketball team will be there again next season.

The 1986-87 J.V. girls' basketball season can be expressed in one word, EXCELLENT. Ending with a record of 17 wins opposite 0 losses, the team ran up scores like, 64-11 against Sheridan and 47-4 against Gaston. This team will provide the varsity team with a lot of talent next year, and will prove to be the learning grounds for the future stars of the sport.

"C" TEAM

The 1986-87 girls' basketball season was a year for new things. One of the biggest and best additions to the program was the formation of a third team. The "C" team was a new idea, consisting mainly of freshmen and sophomores, it gave a lot of girls a chance to gain the necessary experience for future years.

Under the supervision of Coach Mark Knutson, the "C" team finished with a record of eight wins and two losses. Hopefully there will be enough players in the program next year to have another "C" team.

Foreign exchange student Ingivild Overland wins the 800m race with no problem.

Senior Brian McCabe wins the 300m hurdles with consistency throughout the season.

TRACKSTERS

The A.H.S. track team was seen in a different light in the 1987 season. Usually the Amity track team is one of small numbers and even smaller numbers of victories. However, this year even with few athletes, the team was able to win some track meets and accomplish many team and personal goals. Eight people qualified for the state track meet this year. These people were; Todd Peters, Brian McCabe, John Campbell, Jeff Wilson, Ray Eckersley, Troy Hake, Marlo Keliiheleua, and Jean

Shipley. Three School records were broken this year. Todd Peters tied the 100m and broke the 200m record. The 400 relay record was broken by the team of John Campbell, Brian McCabe, Jeff Wilson, and Todd Peters. Coaches Mahi and Riddle were very pleased with this years season. The 1987 track team accomplished some great things and hopefully will keep improving in the years to come. -Todd Peters

In preparation for a track meet Mr. Mahi shows us his better side.

IN MEMORY
OF

Chris Pagel

What is a dream?
A magical thing,
A rainbow of joy
in your heart.
Your own secret
corner where no one can go.
And your path to fulfillment
can start.
